Re: Shrimp Noises

Dear Gordon:

I am really appreciative of the trouble you took in connection with the above matter as indicated in your letter of 4 October, and Commander Higgins' letter of 3 October. Possibly at times a little levity lightens the hard grind in which we are both engaged.

I venture to enclose a copy of my speech to the Police Chiefs in Philadelphia. You will find on pages 13 and 14 my reference to Khrushchev and the whistle of the shrimp. I would be very appreciative if you would pass this on to Commander Higgins so that he will see that his work was not in vain.

By the way, David Lawrence in his column of October 5, has quoted in full my reference to the shrimp situation so that it has not passed entirely unnoticed.

Sincerely,
